Introduction
VET FEE-HELP is an income contingent loan scheme for the vocational education and training (VET) sector that is part of the Higher Education Loan Program (HELP). It is an extension of higher education FEE-HELP arrangements.

VET FEE-HELP has been established to assist students who are enrolled in a VET FEE HELP enabled course to pay for all or part of their VET courses of study.

As a registered Vocational Education and Training provider, the Institute must meet the requirements of the Australian Quality Training Framework (AQTF). In addition to these expectations, South West Institute of TAFE must comply with the quality and accountability requirements for VET FEE-HELP.

Census date: is the date at which point the student becomes liable for the fees applicable to that unit of study if they are still enrolled. This cannot be before 20% of the VET unit of study has lapsed.

Background
VET FEE-HELP assistance is only available when undertaking a VET course with an approved VET provider at the diploma, advanced diploma, graduate certificate and graduate diploma level.

VET FEE-HELP assistance is paid to the VET Provider on behalf of the student by the Australian Government against outstanding tuition fees for each VET unit of study in which the student is enrolled. Students repay the loan to the Australian Government through the tax system once a person reaches the minimum income threshold level for repayment – refer to www.deewr.gov.au/vetfeehelp for current threshold.

VET Providers
The Institute must meet specific requirements under Schedule 1A of the Higher Education Support Act 2003 to receive approval as a VET Provider before current and future students can access VET FEE-HELP assistance.

VET Tuition Assurance
South West TAFE will meet its VET Tuition Fee repayment requirements through its membership of the TAFE Directors Tuition Assurance Schemes. Under the Tuition Assurance Scheme, if South West TAFE ceases to provide the VET course of study of which the unit formed part, and if a student chooses the VET tuition fee repayment option, and not the VET course assurance option in respect of the unit, then within 20 business days after receiving notification of that choice South West TAFE will:

- re-credit the student’s FEE-HELP balance for that unit
- notify the VTAS operator, which is TAFE Directors Tuition Assurance Scheme.

The VTAS operator will, within 10 business days of being notified:

- pay the student any up-front VET payments paid for a VET unit of study
- pay the Commonwealth any amounts paid to South West TAFE in discharge of the students VET tuition fee liability for the unit.

Students seeking a tuition fee refund due to withdrawing from the VET Unit of Study for personal or special circumstances should refer to the Institute’s Student Fee Refund Policy.
